Verse-1

There is freedom within

there is freedom without

Try to catch the deluge in a paper cup

There's a battle a head

many battles are lost But you'll never see the end of the road while you're traveling with me

Chorus-1

Hey now hey now don't dream it's over

Hey now hey now when the world comes in

They come they come to build a wall between us

We know they won't win

Verse-2

Now I'm to wing my car

there's a hole in the roof

My possessions are causing my suspicion but there is no proof

In the paper today tales of war and waste but you turn right over to the TV page

Chorus-2

Hey now hey now don't dream it's over

Hey now hey now when the world comes in

They come they come to build a wall between us

We know they won't win
